### About Clearside

Clearside Biomedical, Inc., headquartered in Alpharetta, GA, is a late-stage clinical ophthalmic biopharmaceutical company that envisions a world without blindness. Clearside relentlessly pursues transformative, elegant, precise solutions to restore and preserve vision. Clearside is developing advanced clinical and preclinical product candidates using a proprietary treatment approach offering unprecedented access to the back of the eye through the suprachoroidal space (SCS™). This has the potential to offer meaningful treatment benefit to patients suffering from sight-threatening diseases like uveitis, retinal vein occlusion, diabetic macular edema and wet age-related macular degeneration.
