Due to the emerging public health impact of COVID-19, we are planning for the possibility that the Annual Meeting may be held in a different location, at a different date or time, or solely by means of remote communication. If we take this step, we will announce the decision to do so in advance, and details on how to participate will be issued by press release, posted on our website and filed with the Securities and Exchange Commission as additional proxy materials.

By Order of the Board of Directors,

April 29, 2020

We are primarily providing access to our proxy materials over the internet pursuant to the Securities and Exchange Commission's notice and access rules. On or about April 29, 2020, we expect to mail to our stockholders a Notice of Internet Availability of Proxy Materials that will indicate how to access our 2020 Proxy Statement and 2019 Annual Report on the internet and will include instructions on how you can receive a paper copy of the annual meeting materials, including the notice of annual meeting, proxy statement and proxy card.

Whether or not you expect to attend the meeting in person, please submit voting instructions for your shares promptly using the directions on your Notice, or, if you elected to receive printed proxy materials by mail, your proxy card, to vote by one of the following methods: 1) over the internet at www.proxypush.com/CLSD, 2) by telephone by calling the toll-free number (866) 291-7286, or 3) if you elected to receive printed proxy materials by mail, by marking, dating and signing your proxy card and returning it in the accompanying postage-paid envelope. Even if you have voted by proxy, you may still vote in person if you attend the meeting. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

FOR THE 2020 ANNUAL MEETING OF STOCKHOLDERS**

To Be Held on June 18, 2020

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the “Notice”) because the Board of Directors of Clearside Biomedical, Inc. (sometimes referred to as the “Company” or “Clearside”) is soliciting your proxy to vote at the 2020 Annual Meeting of Stockholders, including at any adjournments or postponements of the meeting. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about April 29, 2020 to all stockholders of record entitled to vote at the annual meeting.

Will I receive any other proxy materials by mail?

We may send you a proxy card, along with a second Notice, on or after May 9, 2020.

How do I attend the annual meeting?

The meeting will be held on Thursday, June 18, 2020 at 8:00 a.m. local time at the offices of the Company at 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005. Information on how to vote in person at the annual meeting is discussed below.

As part of our contingency planning regarding COVID-19, we are preparing for the possibility that the Annual Meeting may be held in a different location, at a different date or time, or solely by means of remote communication. If we take this step, we will announce the decision to do so in advance, and details on how to participate will be issued by press release, posted on our website and filed with the SEC as additional proxy materials.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on April 23, 2020 will be entitled to vote at the annual meeting. On this record date, there were 44,868,558 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on April 23, 2020 your shares were registered directly in your name with Clearside’s transfer agent, American Stock Transfer & Trust Company, LLC (“AST”), then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to fill out and return the enclosed proxy card or vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on April 23, 2020 your shares were held, not in your name, but rather in an account at a brokerage firm, bank or other similar organization, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the annual meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent regarding how to vote the shares in your account. You are also invited to attend the annual meeting. However, because you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker, bank or other agent.

What am I voting on?

There are two matters scheduled for a vote:

- Proposal No. 1 – Election of two directors; and
- Proposal No. 2 – Ratification of selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as our independent registered public accounting firm for our year ending December 31, 2020.

What if another matter is properly brought before the meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” all of the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For the other matter to be voted on, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy in one of three ways: online, by telephone or using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

- To vote online, go to www.proxypush.com/CLSD. You will be asked to provide the Company number and control number from the Notice. Your vote must be received by 5:00 p.m. Eastern Time on June 17, 2020 to be counted.
- To vote over the telephone, dial toll-free (866) 291-7286. You will be asked to provide the Company number and control number from the Notice. Your vote must be received by 5:00 p.m. Eastern Time on June 17, 2020 to be counted.
- To vote by mail if you requested printed proxy materials, you can vote by promptly completing and returning your signed proxy card in the envelope provided. You should mail your signed proxy card sufficiently in advance for it to be received by June 17, 2020.
- To vote in person, come to the Annual Meeting, and we will give you a ballot when you arrive.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from us. Please follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker, bank or other agent included with the proxy materials, or contact that organization to request a proxy form.

[Table of Contents](#)

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of April 23, 2020.

If I am a stockholder of record and I do not vote, or if I return a proxy card or otherwise vote without giving specific voting instructions, what happens?

If you are a stockholder of record and do not vote by completing your proxy card, by telephone, through the internet or in person at the annual meeting, your shares will not be voted.

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of both nominees for director and “For” the ratification of Ernst & Young LLP as independent auditors for the year ending December 31, 2020. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If I am a beneficial owner of shares held in street name and I do not provide my broker or bank with voting instructions, what happens?

If you are a beneficial owner of shares held in street name and you do not instruct your broker, bank or other agent how to vote your shares, your broker, bank or other agent may still be able to vote your shares in its discretion. In this regard, under the rules of the New York Stock Exchange (NYSE), brokers, banks and other securities intermediaries that are subject to NYSE rules may use their discretion to vote your “uninstructed” shares with respect to matters considered to be “routine” under NYSE rules, but not with respect to “non-routine” matters. In this regard, Proposal No. 1 is considered to be “non-routine” under NYSE rules, meaning that your broker may not vote your shares on that proposal in the absence of your voting instructions. However, Proposal No. 2 is considered to be a “routine” matter under NYSE rules, meaning that if you do not return voting instructions to your broker by its deadline, your shares may be voted by your broker in its discretion on Proposal No. 2.

If you a beneficial owner of shares held in street name, in order to ensure your shares are voted in the way you would prefer, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.

[Table of Contents](#)

- You may send a timely written notice that you are revoking your proxy to Clearside’s Corporate Secretary at 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005.
- You may attend the annual meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker, bank or other agent, you should follow the instructions provided by that organization.

When are stockholder proposals and director nominations due for next year’s Annual Meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by December 30, 2020 to our Corporate Secretary at 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005. If you wish to submit a proposal (including a director nomination) at the meeting that is not to be included in next year’s proxy materials, you must deliver your notice to our Corporate Secretary at the address above between February 18, 2021 and March 20, 2021. Your notice to the Corporate Secretary must set forth information specified in our bylaws, including your name and address and the class and number of shares of our stock that you beneficially own.

If you propose to bring business before an annual meeting other than a director nomination, your notice must also include, as to each matter proposed, the following: (1) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting that business at the annual meeting and (2) any material interest you have in that business. If you propose to nominate an individual for election as a director, your notice must also include, as to each person you propose to nominate for election as a director, the following: (1) the name, age, business address and residence address of the person; (2) the principal occupation or employment of the person; (3) the class and number of shares of our stock that are owned of record and beneficially owned by the person; (4) the date or dates on which the shares were acquired and the investment intent of the acquisition; and (5) any other information concerning the person as would be required to be disclosed in a proxy statement soliciting proxies for the election of that person as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations promulgated under the Exchange Act, including the person’s written consent to being named as a nominee and to serving as a director if elected. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as an independent director or that could be material to a reasonable stockholder’s understanding of the independence, or lack of independence, of the proposed nominee.

For more information, and for more detailed requirements, please refer to our Amended and Restated Bylaws, filed as an exhibit to our most recent Annual Report on Form 10-K, filed with the SEC on March 13, 2020.

How are votes counted?

Votes will be counted by the inspector of election appointed for the meeting, who will separately count, for Proposal No. 1 to elect directors, votes “For,” “Withhold” and broker non-votes, and with respect to Proposal No. 2 for the ratification of independent auditors, votes “For,” “Against” and abstentions. For Proposal No. 1, broker non-votes will have no effect and will not be counted toward the vote total for either director nominee. For Proposal No. 2, abstentions will be counted and will have the same effect as “Against” votes.

What are “broker non-votes”?

As discussed above, when a beneficial owner of shares held in “street name” does not give voting instructions to his or her broker, bank or other securities intermediary holding his or her shares as to how to vote on matters deemed to be “non-routine” under NYSE rules, the broker, bank or other such agent cannot vote the shares. These unvoted shares are counted as “broker non-votes.” Proposal 1 is considered to be “non-routine” under NYSE rules, and we therefore expect broker non-votes to exist in connection with this proposal.

[Table of Contents](#)

As a reminder, if you are a beneficial owner of shares held in street name, you must provide voting instructions to your broker, bank or other agent by the deadline provided in the materials you receive from your broker, bank or other agent in order to ensure your shares are voted in the way you would prefer.

How many votes are needed to approve each proposal?

For Proposal No. 1, the election of directors, the two nominees receiving the most “For” votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes “For” will affect the outcome.

To be approved, Proposal No. 2, the ratification of Ernst & Young LLP as independent auditors, must receive “For” votes from the holders of a majority of shares present in person or represented by proxy and entitled to vote on the matter. If you “Abstain” from voting, it will have the same effect as an “Against” vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum is present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the record date, there were 44,868,558 shares outstanding and entitled to vote. Thus, the holders of 22,434,280 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairman of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the annual meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the annual meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes and currently has seven members. Each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

There are two directors in the class whose term of office expires in 2020, Jeffrey L. Edwards and Clay B. Thorp. Mr. Thorp was previously elected by our stockholders. Mr. Edwards was appointed by the Board in September 2018 to fill a vacancy on the Board. Mr. Edwards was recommended to our Nominating and Corporate Governance Committee by our chairman and another member of our Board. Our Nominating and Corporate Governance Committee then recommended Mr. Edwards' appointment to our Board. If elected at the Annual Meeting, each of these nominees will serve until the 2023 annual meeting and until his successor has been duly elected and qualified, or, if sooner, until his death, resignation or removal. It is our policy to invite directors and nominees for director to attend the Annual Meeting. All six of the directors then serving on our Board of Directors attended the 2019 Annual Meeting of Stockholders.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee instead will be voted for the election of a substitute nominee that we propose. Each person nominated for election has agreed to serve if elected. We have no reason to believe that any nominee will be unable to serve.

NOMINEES FOR ELECTION FOR A THREE-YEAR TERM EXPIRING AT THE 2023 ANNUAL MEETING

The following is a brief biography of each nominee for director and a discussion of the specific experience, qualifications, attributes or skills of each nominee that led the Nominating and Corporate Governance Committee to recommend that person as a nominee for director, as of the date of this proxy statement.

The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct our business. To that end, the Nominating and Corporate Governance Committee has identified and evaluated nominees in the broader context of the Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Nominating and Corporate Governance Committee views as critical to effective functioning of the Board. The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Nominating and Corporate Governance Committee to believe that nominee should continue to serve on the Board. However, each of the members of the Nominating and Corporate Governance Committee may have a variety of reasons why he or she believes a particular person would be an appropriate nominee for the Board, and these views may differ from the views of other members.

Dr. Shaffer has served as a director of our company since 2012 and as the chairman of our board of directors from 2012 to February 2018. Since 2011, Dr. Shaffer has served as a Venture Partner with Hatteras Venture Partners, an investment firm, and as Managing Director of Hatteras Discovery, which invests in early-stage companies in the life sciences industry sector. From 1995 to 2010, Dr. Shaffer served in increasing leadership positions at Inspire Pharmaceuticals, a publicly held biopharmaceutical company, beginning as the company's first full-time employee and Director of Clinical Operations and eventually being appointed as Chief Executive Officer and a director of the company in 1999, as its President in 2005 and a member of its Development Committee in 2009. Prior to Inspire, she was a clinical research scientist, international project leader and Associate Director of Pulmonary and Critical Care Medicine at Burroughs Wellcome Co. Dr. Shaffer currently serves as a board member of the Chordoma Foundation and has served in leadership roles on several non-profit boards, including as chair of the Morehead Planetarium and Science Center's advisory board, on the Board of Trustees for the Cystic Fibrosis Foundation, and as chair of the board of CFF Therapeutic, Inc. INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the Nasdaq Stock Market ("Nasdaq") listing standards, a majority of the members of a listed company's Board of Directors must qualify as "independent," as affirmatively determined by the Board of Directors. The Board consults with our legal counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of Nasdaq, as in effect from time to time.

Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of his or her family members, and our company, our senior management and our independent auditors, the Board has affirmatively determined that Drs. Hutson and Shaffer and Messrs. Croarkin, Edwards, Humphries and Thorp, representing six of our seven current directors, are independent directors within the meaning of the applicable Nasdaq listing standards. In making these determinations, the Board found that none of these directors had a material or other disqualifying relationship with us. Dr. Lasezkay is not currently an independent director by virtue of his employment with us as our Chief Executive Officer. Similarly, Mr. White, our former Chief Executive Officer in 2019, was not an independent director.

BOARD LEADERSHIP STRUCTURE

The Board of Directors of the Company has an independent chair, Mr. Humphries, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors, to set meeting agendas and to determine materials to be distributed to the Board. Accordingly, the Board Chair has substantial ability to shape the work of the Board. We believe that separation of the positions of Board Chair and Chief Executive Officer reinforces the independence of the Board in its oversight of our business and affairs. In addition, we believe that having an independent Board Chair creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of our company and our stockholders. As a result, we believe that having an independent Board Chair can enhance the effectiveness of the Board as a whole.

ROLE OF THE BOARD IN RISK OVERSIGHT

Risk is inherent with every business, and we face a number of risks, including strategic, financial, business and operational, legal and compliance, cybersecurity and reputational risks, including with respect to the recent COVID-19 outbreak. One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for our company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including the implementation of guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function, if and when we implement any such function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Typically, the entire Board meets with members of management responsible for risk management at least annually, and the applicable Board committees meet at least annually with employees responsible for risk management in the committees' respective areas of oversight. Both the Board as a whole and the various standing committees receive incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible. The Board has delegated to the Board Chair the responsibility of coordinating between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met seven times during 2019. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he or she served, held during the portion of 2019 for which he or she was a director or committee member.

As required under applicable Nasdaq listing standards, during 2019, as part of each Board meeting our independent directors met in regularly scheduled executive sessions at which only independent directors were present. Our Board Chair presided over the executive sessions.

Each of the committees has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board of Directors has determined that each member of each committee meets the applicable Nasdaq rules and regulations regarding “independence” and each member is free of any relationship that would impair his or her individual exercise of independent judgment with regard to our company.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee our corporate accounting and financial reporting processes and audits of our financial statements. The Audit Committee is currently composed of three directors: Messrs. Croarkin, Edwards and Humphries. The Audit Committee met eight times during 2019. The Board has adopted a written Audit Committee charter that is available to stockholders on our website at www.clearsidebio.com.

The Board of Directors reviews the Nasdaq listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of our Audit Committee are independent, as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the Nasdaq listing standards. The Board of Directors has also determined that Mr. Croarkin qualifies as an “audit committee financial expert,” as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Croarkin’s level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies.

The principal duties and responsibilities of our Audit Committee include:

- appointing and retaining an independent registered public accounting firm to serve as independent auditor to audit our financial statements, overseeing the independent auditor’s work and determining the independent auditor’s compensation;
- approving in advance all audit services and non-audit services to be provided to us by our independent auditor;
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls, auditing or compliance matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;
- reviewing and discussing with management and our independent auditor the results of the annual audit and the independent auditor’s review of our quarterly financial statements; and

- conferring with management and our independent auditor about the scope, adequacy and effectiveness of our internal accounting controls, the objectivity of our financial reporting and our accounting policies and practices.

Report of the Audit Committee of the Board of Directors

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2019 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board (“PCAOB”) and the SEC. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2019.

Compensation Committee

The Compensation Committee is composed of three directors: Dr. Shaffer and Messrs. Humphries and Edwards. All members of the Compensation Committee are independent, as independence is currently defined in Rule 5605(d)(2) of the Nasdaq listing standards. The Compensation Committee met five times during 2019. The Board has adopted a written Compensation Committee charter that is available to stockholders on our website at www.clearsidebio.com.

The principal duties and responsibilities of our Compensation Committee include:

- establishing and approving, and making recommendations to the Board regarding, performance goals and objectives relevant to the compensation of our Chief Executive Officer, evaluating the performance of our Chief Executive Officer in light of those goals and objectives and setting, or recommending to the full board of directors for approval, the Chief Executive Officer’s compensation, including incentive-based and equity-based compensation, based on that evaluation;
- setting the compensation of our other executive officers, based in part on recommendations of the Chief Executive Officer;
- exercising administrative authority under our stock plans and employee benefit plans;
- establishing policies and making recommendations to our Board regarding director compensation;
- reviewing and discussing with management the compensation discussion and analysis that we may be required from time to time to include in SEC filings; and
- preparing a compensation committee report on executive compensation as may be required from time to time to be included in our annual proxy statements or annual reports on Form 10-K filed with the SEC.

Typically, the Compensation Committee meets an average of once every quarter and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with our Chief Executive Officer and Chief Financial Officer. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee

meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all of our books, records, facilities and personnel. In addition, under the charter, the Compensation Committee has the authority to obtain, at our expense, advice and assistance from compensation consultants and internal and external legal, accounting or other advisors and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. The Compensation Committee has direct responsibility for the oversight of the work of any consultants or advisers engaged for the purpose of advising the Compensation Committee. In particular, the Compensation Committee has the sole authority to retain, in its sole discretion, compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and Nasdaq, that bear upon the adviser's independence; however, there is no requirement that any adviser be independent.

In June 2018, after taking into consideration the six factors prescribed by the SEC and Nasdaq described above, the Compensation Committee engaged Pearl Meyer & Partners, LLC ("Pearl Meyer") as compensation consultants. Our Compensation Committee identified Pearl Meyer based on a recommendation of one of our board members as well as Pearl Meyer's general reputation in the industry.

During 2019, to achieve the objectives listed above, the Compensation Committee requested that Pearl Meyer:

- participate in discussions with the Compensation Committee Chairman (and, if desired, other members of the Compensation Committee) and selected members of senior management to discuss our practices;
- assess pay competitiveness for our non-employee directors and all employees and develop recommendations to maintain and/or improve pay competitiveness;
- review our equity incentive grant practices and those of our industry peers;
- summarize preliminary findings in a written report and review with the Compensation Committee and management; and
- finalize report findings and recommendations based on feedback from management and the Compensation Committee.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is composed of three directors: Messrs. Croarkin, Humphries and Thorp. All members of the Nominating and Corporate Governance Committee are independent, as independence is currently defined in Rule 5605(a)(2) of the Nasdaq listing standards. The Nominating and Corporate Governance Committee met four times during 2019. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on our website at www.clearsidebio.com.

The Nominating and Corporate Governance Committee's responsibilities include:

- assessing the need for new directors and identifying individuals qualified to become directors;
- recommending to the Board the persons to be nominated for election as directors and to each of the Board's committees;
- assessing individual director performance, participation and qualifications;
- developing and recommending to the Board corporate governance principles;
- monitoring the effectiveness of the Board and the quality of the relationship between management and the Board; and
- overseeing an annual evaluation of the Board's performance.

Table of Contents

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of our stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate, given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. Although the Company does not have a formal policy governing diversity among directors, the Board strives to identify candidates with diverse backgrounds. The Board recognizes the value of overall diversity and considers members' and candidates' opinions, perspectives, personal and professional experiences, and backgrounds, including age, gender, race, ethnicity, and country of origin. We believe that the judgment and perspectives offered by a diverse board of directors improves the quality of decision making and enhances our business performance.

The Nominating and Corporate Governance Committee appreciates the value of thoughtful board refreshment and regularly identifies and considers qualities, skills and other director attributes that would enhance the composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to our company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. The Nominating and Corporate Governance Committee also takes into account the results of the Board's self-evaluation, conducted annually on a group and individual basis. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Corporate Secretary, Clearside Biomedical, Inc., 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005, at least 90 days, but not more than 120 days, prior to the anniversary date of the mailing of our proxy statement for the preceding year's annual meeting of stockholders. Submissions must include the information required by our bylaws, including the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of our stock and has been a holder for at least one year. Any submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

S TOCKHOLDER C OMMUNICATIONS W ITH T HE B OARD O F D IRECTORS

The Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Board or the director in care of Clearside Biomedical, Inc., 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005, Attn: Corporate Secretary. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and the number and class of shares of our stock that are owned beneficially by the stockholder as of the date of the communication.

[Table of Contents](#)

These communications will be reviewed by our Corporate Secretary, who will determine whether they should be presented to the Board. The purpose of this screening is to allow the Board to avoid having to consider communications that contain advertisements or solicitations or are unduly hostile, threatening or similarly inappropriate. All communications directed to the Audit Committee in accordance with our Open Door Policy for Reporting Complaints Regarding Accounting and Auditing Matters that relate to questionable accounting or auditing matters involving our company will be promptly and directly forwarded to the Audit Committee.

Any interested person may communicate directly with the non-management directors. Persons interested in communicating directly with the non-management directors regarding their concerns or issues may do so by addressing correspondence to a particular director, or to the non-management directors generally, in care of Clearside Biomedical, Inc., 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005. If no particular director is named, letters will be forwarded, depending upon the subject matter, to the chair of the Audit, Compensation, or Nominating and Corporate Governance Committee.

C O D E O F E T H I C S

We have adopted a Code of Business Conduct and Ethics (the “Code of Conduct”) applicable to all of our employees, executive officers and directors. The Code of Conduct is available on our website at www.clearsidebio.com. The Audit Committee is responsible for overseeing the Code of Conduct and must approve any waivers of the Code of Conduct for executive officers and directors. If we make any substantive amendments to the Code of Conduct or grant any waiver from a provision of the Code of Conduct to any executive officer or director, we will promptly disclose the amendment or waiver on our website.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Audit Committee of the Board has selected Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2020 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the annual meeting. Ernst & Young LLP has audited our financial statements since inception. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor our other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of our company and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote on the matter at the annual meeting will be required to ratify the selection of Ernst & Young LLP.

- (1) Salary amounts represent actual amounts earned during the indicated year. See “—Narrative to Summary Compensation Table—Annual Base Salary” for a description of adjustments to base salaries made during the year. For Dr. Lasezkay, the amount for 2019 includes \$14,000 in cash payments received for his service as a director prior to his appointment as Interim Chief Executive Officer on April 7, 2019 that would have been disclosed as fees earned or paid in cash in the Director Compensation Table below.
- (2) The amounts reflect the full grant date fair value for awards granted during the indicated year. The grant date fair value was computed in accordance with ASC Topic 718, *Compensation — Stock Compensation*. Unlike the calculations contained in our financial statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting, but assumes that the executive will perform the requisite service for the award to vest in full. Assumptions used in the calculation of these amounts are included in Note 8 to our financial statements included in our annual report on Form 10-K for the year ended December 31, 2019.
- (3) Represents the actual amounts paid under the annual bonus incentive plan. See “Narrative to Summary Compensation Table—Annual Bonus” for a discussion of the annual bonus incentive plan.
- (4) Dr. Lasezkay was appointed our Interim Chief Executive Officer on April 7, 2019 and as our President and Chief Executive Officer in March 2020. Dr. Lasezkay was not an executive officer in 2018 and accordingly did not receive any compensation in that capacity in 2018.
- (5) Amount includes (a) 401(k) matching contributions of \$2,474, (b) allowances for mobile phones and waiver of medical benefits of \$675 and \$900, respectively, and (c) amounts paid for Dr. Lasezkay’s commuting expenses totaling \$28,412.

Table of Contents

- (6) Mr. White resigned as our President and Chief Executive Officer on April 7, 2019.
- (7) Amount includes (a) \$732,980 of salary continuation payments, (b) \$42,895 of reimbursement for continued health insurance premiums, (c) \$218,823 in incremental value associated with the acceleration of equity awards and modification of post-termination option exercise periods in connection with Mr. White's separation, (d) 401(k) matching contributions of \$8,400 and (e) allowance for mobile phone of \$225. For additional information, see "—Employment Agreements and Potential Payments Upon Termination or Change in Control—Separation Agreement with Mr. White" below.
- (8) Amounts represent 401(k) matching contributions and allowances for mobile phones.
- (9) Represents a discretionary bonus awarded to Mr. Deignan by the Compensation Committee in connection with the completion of a public offering of our common stock in March 2018.
- (10) Mr. Raymond's employment as our Chief Commercial Officer ended on December 30, 2019.
- (11) Amount includes (a) \$1,200 in payments in lieu of medical benefits, (b) \$14,024 for accrued vacation paid upon termination, (c) \$300,000 in salary continuation payments, (d) \$103,833 in incremental value associated with the acceleration of equity awards and modification of post-termination option exercise periods in connection with Mr. Raymond's separation, (e) 401(k) matching contributions of \$6,981 and (f) allowance for mobile phone of \$900. For additional information, see "—Employment Agreements and Potential Payments Upon Termination or Change in Control—Separation Agreement with Mr. Raymond" below.
- (12) Represents a signing bonus.
- (13) Represents the grant date fair value for an option to purchase 120,000 shares granted to Mr. Raymond in February 2018. Of the 120,000 shares, 80,000 shares had service-based vesting and, accordingly, this calculation assumed that the executive would perform the requisite service for those shares to vest in full. The other 40,000 shares underlying the option were subject to vesting based on the achievement of specified performance conditions. For the performance-based portion of this option, pursuant to SEC rules, the amount included in the table above represents the grant date fair value based on the probable outcome of the performance conditions in accordance with ASC Topic 718.

NARRATIVE TO SUMMARY COMPENSATION TABLE

We review compensation annually for all employees, including our executives. In setting executive base salaries and bonuses and granting equity incentive awards, we consider compensation for comparable positions in the market, the historical compensation levels of our executives, individual performance as compared to our expectations and objectives, our desire to motivate our employees to achieve short- and long-term results that are in the best interests of our stockholders, and a long-term commitment to our company. We do not target a specific competitive position or a specific mix of compensation among base salary, bonus or long-term incentives.

The Compensation Committee of our Board has historically determined our executives' compensation. Our Compensation Committee typically reviews and discusses management's proposed compensation with the Chief Executive Officer for all executives other than the Chief Executive Officer. Based on those discussions and its discretion, the Compensation Committee then recommends the compensation for each executive officer. Our Compensation Committee, without members of management present, discusses and ultimately approves the compensation of our executive officers.

Annual Base Salary

Our named executive officers' base salaries are reviewed periodically by our Board, and adjustments may be made upon the recommendations of the Compensation Committee. The Compensation Committee approved the following 2018, 2019 and 2020 base salaries for our named executive officers, effective January 1 of the applicable year unless otherwise noted:

Charles A. Deignan	332,890	332,890	342,876
Brion Raymond	300,000	300,000	—(4)

- (1) Dr. Lasezkay was not an executive officer in 2018 and accordingly no base salary for 2018 is reported in the table above.
- (2) Effective March 1, 2020, the effective date of Dr. Lasezkay's appointment as our President and Chief Executive Officer.
- (3) Mr. White resigned as our President and Chief Executive Officer on April 7, 2019.
- (4) Mr. Raymond's employment as our Chief Commercial Officer ended on December 30, 2019.

Annual Bonus

We seek to motivate and reward our executives for achievements relative to our corporate goals and expectations for each year. Each named executive officer has a target bonus opportunity, defined as a percentage of his annual salary. For 2018, 2019 and 2020, the target bonus was and is as follows:

<u>Name</u>	<u>2018 Target Bonus as a Percentage of Base Salary</u>	<u>2019 Target Bonus as a Percentage of Base Salary</u>	<u>2020 Target Bonus as a Percentage of Base Salary</u>
George Lasezkay	—(1)	50%	50%
Daniel H. White	50%	50% (2)	—(2)
Charles A. Deignan	35%	35%	35%
Brion Raymond	35%	35%	—(3)

- (1) Dr. Lasezkay was not an executive officer in 2018 and accordingly was not eligible for a bonus in 2018.
- (2) Mr. White resigned as our President and Chief Executive Officer on April 7, 2019. Accordingly, he was not eligible for a bonus in 2019 and will not be eligible for a bonus in 2020.
- (3) Mr. Raymond's employment as our Chief Commercial Officer ended on December 30, 2019. Accordingly, he is not eligible for a bonus in 2020.

To reinforce the importance of integrated and collaborative leadership, our executives' bonuses have historically been solely based on company performance; however, for both 2019 and 2018, we included an individual performance component as well.

For 2019, the corporate performance goals consisted of a number of clinical development and regulatory milestones. For 2018, the corporate performance goals consisted of a number of clinical development and regulatory milestones, as well as obtaining a specified amount of financing.

The Compensation Committee determined bonuses by weighing achievement of the corporate performance goals at 75% and individual performance at 25%. In December 2019, our Compensation Committee determined that the 2019 corporate performance goals had been achieved at an 85% level in the aggregate and that all individual performance goals had been met in full, resulting in a total bonus payout of approximately 90% of each executive's target. In February 2019, our Compensation Committee determined that the 2018 corporate and individual performance goals had been achieved at a 75% level in the aggregate, resulting in a total bonus payout of approximately 75% of each executive's target. As a result, the Compensation Committee awarded bonuses for 2018 and 2019 as follows:

<u>Name</u>	<u>2018 Bonus Payment</u>	<u>2019 Bonus Payment</u>
George Lasezkay	—(1)	\$ 159,809(1)
Daniel H. White	\$ 183,944	—(2)
Charles A. Deignan	\$ 88,096	\$ 106,000
Brion Raymond	\$ 67,789	\$ 89,251

- (1) Dr. Lasezkay was not an executive officer in 2018. Accordingly, no bonus for 2018 is reported in the table above. Dr. Lasezkay's bonus for 2019 was prorated for the period of 2019 that he served as our Interim Chief Executive Officer.
- (2) Mr. White resigned as our President and Chief Executive Officer on April 7, 2019. He was not eligible to receive a bonus in 2019.

The bonuses paid to the named executive officers for 2019 and 2018 performance reflected in the table above are included in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table above.

Long-Term Incentives

Our 2016 Equity Incentive Plan (the “2016 Plan”) authorizes us to make grants to eligible recipients of non-qualified stock options, incentive stock options, restricted stock awards, restricted stock units and other stock-based awards. All of our awards under the 2016 Plan have been in the form of stock options and restricted stock units. Since our initial public offering of our common stock in June 2016, all of our equity awards have been granted under our 2016 Plan.

We do not have a standardized policy for granting annual equity awards to our named executive officers. Our executives generally are awarded an initial grant upon commencement of employment or upon significant promotion. Additional grants may occur periodically in order to incentivize, reward and retain executives as the Board or Compensation Committee determines appropriate, taking into consideration the executive’s aggregate equity holdings. We are thoughtful in the use of our equity pool and resulting dilution to our stockholders; our named executive officers are not guaranteed an equity award grant each year.

We award stock options and restricted stock units on the date the Board or Compensation Committee approves the grant. All options are granted with a per share exercise price equal to no less than the fair market value of a share of our common stock on the date of grant of each award and generally have a term of no more than ten years from the date of grant, subject to earlier termination upon a termination of the holder’s service with us.

On February 5, 2019, we awarded Mr. White, Mr. Deignan and Mr. Raymond options to purchase 200,000, 100,000 and 100,000 shares of our common stock, respectively, with an exercise price of \$1.24 per share. The shares underlying these options vested as to 25% of the shares one year from the date of grant, with the remainder vesting in 36 equal monthly installments thereafter, subject to the officer’s continued service (including, in the case of Mr. Raymond, as a consultant) through each applicable vesting date.

On April 7, 2019, in connection with his appointment as our Interim Chief Executive Officer, we awarded Dr. Lasezkay an option to purchase 250,000 shares of our common stock with an exercise price of \$1.40 per share. The shares underlying this stock option vested in six equal monthly installments through October 2019.

On May 31, 2019, we awarded each of Mr. Deignan and Mr. Raymond 50,000 restricted stock units, which are to vest in full on May 31, 2020, subject to the officer’s continued service through such vesting date.

On August 7, 2019, we awarded Dr. Lasezkay 100,000 restricted stock units for which the underlying shares will be issued on May 12, 2020.

On September 18, 2019, we awarded Dr. Lasezkay and Mr. Deignan 110,000 and 70,000 restricted stock units, respectively. One-half of the shares underlying the restricted stock units vest on the first anniversary of the grant date and the remainder vests in four equal quarterly installments thereafter, subject to the officer’s continued service through each applicable vesting date.

On January 8, 2020, we awarded Dr. Lasezkay and Mr. Deignan options to purchase 198,750 and 75,000 shares of our common stock, respectively, with an exercise price of \$2.37. The shares underlying these options vest as to 25% of the shares one year from the date of grant, with the remainder vesting in 36 equal monthly installments thereafter, subject to the officer’s continued service through each applicable vesting date. On the same date, we also awarded Dr. Lasezkay and Mr. Deignan 66,250 and 25,000 restricted stock units, respectively. The shares underlying the restricted stock units vest in four equal annual installments beginning on the first anniversary of the date of grant, subject to the officer’s continued service through each applicable vesting date.

On March 11, 2020, we awarded 50,000 restricted stock units to Dr. Lasezkay which vest in two equal installments on February 28, 2021 and February 28, 2022, subject to Dr. Lasezkay’s continued service through each such date.

The awards described above are subject to acceleration of vesting under certain circumstances as described in “—Employment Agreements and Potential Payments Upon Termination or Change in Control” below. In addition, the vesting of certain of the awards described above were accelerated in connection with the departures of Mr. White and Mr. Raymond from our company, as further described in “Employment Agreements and Potential Payments Upon Termination or Change in Control” below.

We have entered into employment agreements with each of our named executive officers. Pursuant to these employment agreements, Dr. Lasezkay and Mr. Deignan are, and Messrs. White and Raymond were, eligible to receive severance benefits in specified circumstances. We believe that reasonable severance benefits for our named executive officers are important because it may be difficult for them to find comparable employment within a short period of time following termination of employment. We also believe that it is important to protect our named executive officers in the event of a change in control transaction involving our company, as a result of which such officers might have their employment terminated. In addition, we believe that the interests of management should be aligned with those of our stockholders as much as possible, and we believe that providing protection upon a change in control is an appropriate counter to any disincentive the officers might otherwise perceive in regard to transactions that may be in the best interests of our stockholders.

These employment agreements have one-year terms and are renewable for successive one-year terms unless either we or the executive officer gives notice of non-renewal at least 60 days prior to the end of the term.

Severance Provisions for Dr. Lasezkay

In the event we terminate Dr. Lasezkay without cause, he resigns for good reason or we elect not to renew his employment agreement, then, upon execution and effectiveness of a settlement agreement and release of claims in a

form acceptable to us, Dr. Lasezkay will be entitled to receive (a) an amount equal to 12 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) if the termination occurs on or after July 1 of a given year, a portion of the bonus for which he would have been eligible had he worked for the full calendar year, calculated based on our determination of the achievement of target objectives and pro-rated to take into account the portion of the year he was employed by us, payable in a lump sum, and (c) reimbursement of the cost of health insurance premiums for 12 months or, if shorter, until he obtains reasonably comparable health insurance coverage. In addition, each equity award held by Dr. Lasezkay shall immediately vest and become exercisable, and the exercise period of each stock option will be extended through the date that is 12 months after the termination (or the original expiration date of the option, if earlier).

If we or our successor terminate Dr. Lasezkay without cause, he resigns for good reason or we elect not to renew his employment agreement within 12 months after a specified change in control or corporate transaction, then in lieu of the payments and benefits specified above, Dr. Lasezkay will be entitled to receive (a) an amount equal to 18 months of his annual base salary, less applicable deductions, payable in a lump sum, (b) an amount equal to 150% of the performance bonus he would be eligible to earn in the calendar year of termination, (c) reimbursement of the cost of health insurance premiums for 18 months or, if shorter, until he obtains reasonably comparable health insurance coverage. In addition, the equity awards held by Dr. Lasezkay at the time of termination shall immediately vest and become exercisable, and the exercise period of each stock option will be extended through the date that is 12 months after the termination (or the original expiration date of the option, if earlier).

Separation Agreement with Mr. White

In connection with Mr. White's resignation as our President and Chief Executive Officer, Mr. White entered into a separation agreement which provided for the following severance benefits: (a) an amount equal to 18 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule; (b) reimbursement of the cost of health insurance premiums for 18 months or, if shorter, until he obtains reasonably comparable health insurance coverage; (c) acceleration of vesting of each equity award held by him to the extent the award would have vested had he remained employed for 18 months following his resignation; and (d) an extended exercise period for each equity award held by him such that he may exercise vested shares under his outstanding equity awards until the earlier of 90 days following our 2020 annual meeting of stockholders or the expiration date of the applicable equity award.

Severance Provisions for Mr. Deignan

In the event we terminate Mr. Deignan without cause, he resigns for good reason or we elect not to renew his employment agreement, then, upon execution and effectiveness of a settlement agreement and release of claims in a form acceptable to us, Mr. Deignan will be entitled to receive (a) an amount equal to 12 months of his annual base salary, less applicable deductions, payable in accordance with our normal payroll schedule, (b) if the termination occurs on or after July 1 of a given year, a portion of the bonus for which he would have been eligible had he worked for the full calendar year, calculated based on our Board's determination of the level of achievement of target objectives and pro-rated to take into account the portion of the year he was employed by us, (c) reimbursement of the cost of health insurance premiums for 12 months or, if shorter, until he obtains reasonably comparable health insurance coverage and (d) acceleration of vesting of each equity award held by him to the extent the award would have vested had he remained employed by us for 12 months following termination of employment.

If we or our successor terminate Mr. Deignan without cause, he resigns for good reason or we elect not to renew his employment agreement within 12 months after a specified change in control or corporate transaction, then in lieu of the payments and benefits specified above, Mr. Deignan will be entitled to receive (a) an amount equal to 18 months of his annual base salary, less applicable deductions, payable in a lump sum, (b) an amount equal to 150% of the performance bonus he would have been eligible to earn in the calendar year of termination, (c) reimbursement of the cost of health insurance premiums for 12 months or, if shorter, until he obtains reasonably comparable health insurance coverage, and (d) full acceleration of vesting of the equity awards held by Mr. Deignan at the time of termination.

Separation Agreement with Mr. Raymond

payment of Mr. Raymond's annual bonus for 2019 in the gross amount of \$89,251; (c) acceleration of vesting of each equity award held by him to the extent the award would have vested had he remained employed for 12 months following his resignation; and (d) an extended exercise period for each equity award held by him such that he may exercise vested shares under certain of his outstanding equity awards until June 30, 2020. In addition, our consulting agreement with Mr. Raymond provides that he may exercise 12,500 shares underlying an option, subject to the vesting of those shares in connection with his service as our consultant, until September 30, 2020.

DIRECTOR COMPENSATION

DIRECTOR COMPENSATION TABLE

The following table shows for the year ended December 31, 2019 certain information with respect to the compensation of our non-employee directors. Mr. White, our former President and Chief Executive Officer, also served as a director during the year ended December 31, 2019 but did not receive any additional compensation for his services as a director. Mr. White's compensation is set forth above under "Executive Compensation—Summary Compensation Table." Dr. Lasezkay, a member of our board of directors, was appointed as our Interim Chief Executive Officer in April 2019 and our President and Chief Executive Officer in March 2020. He no longer receives any additional compensation for his services as a director. The compensation he received for his service as both a director and an executive officer is set forth above under "Executive Compensation—Summary Compensation Table."

Name	Fees Earned or Paid in Cash (\$)	Stock Option Awards (\$) ⁽¹⁾⁽²⁾	Total (\$)
Richard Croarkin	60,000	18,028	78,028
Jeffrey L. Edwards	52,000	18,028	70,028
William D. Humphries	96,500	18,028	114,528
Christy L. Shaffer, Ph.D.	46,000	18,028	64,028
Clay B. Thorp	47,000	18,028	65,028

- (1) This column reflects the full grant date fair value for stock options granted during the year as measured pursuant to ASC Topic 718 as stock-based compensation in our consolidated financial statements. Unlike the calculations contained in our financial statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting but assumes that the director will perform the requisite service for the award to vest in full. The assumptions we used in valuing the stock option awards are described in Note 8 to our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2019.
- (2) As of December 31, 2019, Messrs. Edwards and Thorp and Dr. Shaffer each held options to purchase 42,500 shares of our common stock, Mr. Croarkin held options to purchase 59,736 shares of our common stock and Mr. Humphries held options to purchase 87,954 shares of our common stock. Dr. Lasezkay's holdings are reported above in "Executive Compensation—Outstanding Equity Awards as of December 31, 2019."

NARRATIVE TO DIRECTOR COMPENSATION TABLE

Under our non-employee director compensation policy, we pay each of our non-employee directors a cash retainer for service on the Board and for service on each committee on which the director is a member. The chairman of the Board and of each committee receives an additional retainer for such service. These retainers are payable in arrears in four equal quarterly installments on the last day of each quarter, provided that the amount of such payment will be prorated for any portion of such quarter that the director is not serving on our Board.

We amended and restated our non-employee director compensation policy effective as of April 18, 2019. The retainers paid to non-employee directors for service on the Board and for service on each committee of the Board on which the director is a member were as follows prior to April 18, 2019:

	Member Annual Service Retainer	Chairman Additional Annual Service Retainer
Board of Directors	\$40,000	\$ 25,000
Audit Committee	8,000	8,000
Compensation Committee	6,000	6,000
Nominating and Corporate Governance Committee	4,000	4,000

[Table of Contents](#)

Under the amended and restated non-employee director compensation policy, the annual service retainer for serving as chairman of the Board was increased to \$35,000. All other cash retainers remain the same as reported in the table above.

We also reimburse our non-employee directors for reasonable travel and out-of-pocket expenses incurred in connection with attending our Board and committee meetings.

In addition, under our amended and restated director compensation policy, each non-employee director elected to our Board will receive an option to purchase 30,000 shares of our common stock. The shares underlying such option will vest in 36 equal monthly installments on the last day of each month, subject to the director's continuous service through each vesting date. Further, on the date of each annual meeting of stockholders, each non-employee director that continues to serve as a non-employee member on our Board following such meeting will receive an option to purchase 20,000 shares of our common stock. The shares underlying each such option will vest in full on the earlier of the date immediately prior to the next annual meeting of stockholders or 12 months after the grant date, subject to the director's continuous service through the vesting date. The exercise price of these options will equal the fair market value of our common stock on the date of grant.

Our amended and restated director compensation policy is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors' interests with those of our stockholders.

TRANSACTIONS WITH RELATED PERSONS

RELATED PERSON TRANSACTIONS POLICY AND PROCEDURES

We have adopted a related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of our policy only, a related person transaction is a transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we and any related person are, were or will be participants in which the amount involved exceeds \$120,000. Transactions involving compensation for services provided to us as an employee or director are not covered by this policy. A related person is any executive officer, director or beneficial owner of more than 5% of any class of our voting securities, including any of their immediate family members and any entity owned or controlled by such persons.

Under the policy, if a transaction has been identified as a related person transaction, including any transaction that was not a related person transaction when originally consummated or any transaction that was not initially identified as a related person transaction prior to consummation, our management must present information regarding the related person transaction to our Audit Committee, or, if Audit Committee approval would be inappropriate, to another independent body of our Board of Directors, for review, consideration and approval or ratification. The presentation must include a description of, among other things, the material facts, the interests, direct and indirect, of the related persons, the benefits to us of the transaction and whether the transaction is on terms that are comparable to the terms available to or from, as the case may be, an unrelated third party or to or from employees generally. Under the policy, we will collect information that we deem reasonably necessary from each director, executive officer and, to the extent feasible, significant stockholder to enable us to identify any existing or potential related-person transactions and to effectuate the terms of the policy. In addition, under our Code of Conduct, our employees and directors have an affirmative responsibility to disclose any transaction or relationship that reasonably could be expected to give rise to a conflict of interest. In considering related person transactions, our Audit Committee, or other independent body of our Board of Directors, will take into account the relevant available facts and circumstances including, but not limited to:

- the risks, costs and benefits to us;
- the impact on a director's independence in the event that the related person is a director, immediate family member of a director or an entity with which a director is affiliated;
- the availability of other sources for comparable services or products; and
- the terms available to or from, as the case may be, unrelated third parties or to or from employees generally.

The policy requires that, in determining whether to approve, ratify or reject a related person transaction, our Audit Committee, or other independent body of our Board of Directors, must consider, in light of known circumstances, whether the transaction is in, or is not inconsistent with, our best interests and those of our stockholders, as our Audit Committee, or other independent body of our Board of Directors, determines in the good faith exercise of its discretion.

CERTAIN RELATED PARTY TRANSACTIONS

Except as described below, there have been no transactions since January 1, 2018 to which we have been a participant in which the amount involved exceeded or will exceed \$120,000 or, during such time as we qualify as a "smaller reporting company," the lesser of (1) \$120,000 or (2) 1% of the average of our total assets for the last two completed years, and in which any of our directors, executive officers or holders of more than 5% of our capital stock, or any members of their immediate family, had or will have a direct or indirect material interest, other than compensation arrangements which are described under "Executive Compensation" and "Director Compensation."

Private Placement

On November 22, 2019, we entered into a Securities Purchase Agreement with entities affiliated with Hatteras Venture Partners and Grace (collectively, the "Purchasers"), pursuant to which we sold and issued 3,178,367 shares of our common stock at a purchase price of \$1.054 per share. Hatteras Venture Partners is affiliated with Christy Shaffer and Clay Thorp, two of our directors, and each of Hatteras Venture Partners and Grace beneficially own more than 5% of our common stock. Concurrently with the execution of the Securities Purchase Agreement, we entered into a Registration Rights Agreement with the Purchasers pursuant to which we filed a registration statement with the SEC to register for resale the shares of our common stock issued under the Securities Purchase Agreement. The following table sets forth the aggregate number of shares of our common stock that these stockholders purchased and the total purchase price.

[Table of Contents](#)

<u>Purchaser</u>	<u>Number of Shares of Common Stock</u>	<u>Aggregate Purchase Price</u>
Entities affiliated with Hatteras Venture Partners	1,518,026	\$1,599,999.40
Entities affiliated with Grace	1,660,341	\$1,660,339.95

Investor Rights Agreement

We previously entered into an investor rights agreement, as amended, with some of our stockholders, including entities affiliated with Hatteras, which beneficially owns more than 5% of our common stock, as well as certain of our directors and executive officers. The investor rights agreement, among other things, grants some of our stockholders specified registration rights with respect to shares of our common stock. The provisions of this agreement, other than those relating to registration rights, terminated upon the completion of our initial public offering in June 2016. The surviving provisions of this agreement provide those holders with customary demand and piggyback registration rights with respect to the shares of common stock currently held by them and that were issuable to them upon conversion of our convertible preferred stock in connection with our initial public offering. The registration rights will terminate upon the fifth anniversary of our initial public offering in June 2021.

I NDEMNIFICATION

Our amended and restated certificate of incorporation contains provisions limiting the liability of directors, and our amended and restated certificate of incorporation and our bylaws provide that we will indemnify each of our directors to the fullest extent permitted under Delaware law. Our bylaws also provide our Board of Directors with discretion to indemnify our officers and employees when determined appropriate by the Board. In addition, our bylaws provide that, upon satisfaction of specified conditions, we are required to advance expenses incurred by a director in advance of the final disposition of any action or proceeding, and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law. We have entered and expect to continue to enter into agreements to indemnify our non-employee directors as determined by the Board of Directors. With specified exceptions, these agreements provide for indemnification for related expenses including, among other things, attorneys' fees, judgments, fines and settlement amounts incurred by any of these individuals in any action or proceeding. We believe that these bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors. We also maintain customary directors' and officers' liability insurance.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (for example, brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are our stockholders will be “householding” our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or us. Direct your written request to Clearside Biomedical, Inc., Attn: Corporate Secretary, 900 North Point Parkway, Suite 200, Alpharetta, Georgia 30005. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request “householding” of their communications should contact their brokers.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
